extremely good looking baby  
Looking for a little lady

I think I hear the king fallin' down, down, down

Ice-cool chervy top, working in a soda shop  
Fast start, burning up she wants to meet  
the king of love  
A...O, Sound of  
Sound of

School's out at forty five, five six to forty six  
Don't come real soon, the king of love is on the move  
A...O, Sound of

The king of love is fallin' down, down, down  
The king of love is fallin' down, down, down
