

**Title : All That I Need**

**Composer : Corrine May**

**Lyricist :**

I'm sorry that I've hurt you  
I took for granted all you gave so freely to me  
I pray it's not too late  
To save me from a broken heart  
To promise you I'll make a brand new start  
Believe me when I say

**(Chorus)**

You are all that I need  
The only treasure I see  
You're the air that helps me breathe  
Through the darkest nights  
When I fall down on my knees  
I was blind but now I see  
You are all that I need

Though I'm far from perfect  
Like a child that needs a guiding hand  
Can you stay here with me  
I finally understand  
You've always been the missing part  
Complete the jigsaw puzzle of my heart  
Please hear me when I say

**(Repeat Chorus)**

**(Bridge)**

Please let me hear your voice again  
Let me hear you say your love will never end  
That whatever it takes you'll be there (Believe me when I say)

**(Repeat Chorus)**

You are all that I need.
