

**Title : Serenity**

**Composer : VerticalRush**

**Lyricist : Esmond Wee**

Where do we go from here?  
The days gone by, disappear  
Paint me a picture; make it bold  
Colored hope and solitude

So I question the sky  
For I don't see why  
You had to be  
This mystery

Now if you don't, could you tell me so?  
And not let my prayers fade  
I didn't mean it be like this  
I'm sorry for the honesty

Give me serenity  
Make my peace  
Give me serenity  
God make my peace

And I wanted to get over this,  
To find some grace in reasoning  
Then loneliness would seem a thought  
So far away, yet close to you  
Let's start again, lets just be friends  
This time let's not just let it end  
Why won't your smile just leave my heart  
Then maybe, I could yearn in peace  
If I could hold you, if I could take you  
I could only be with you  
If I could wait for you,  
If I could take on you  
If I could breathe in you  
If I could reach for you
