好朋友，吃饱没？

My good friend, are you hungry?

I'm Hokkien, I was born with it

I'm Hokkien, I'm so proud of it

我老妈，照顾我

My mother, she takes care of me

I'm Hokkien every night I breathe

I'm Hokkien in the life I live

Do you know what it means to be

Do you know how it feels to be

A Hokkien, 我留眼泪

A Hokkien, my tears run down

Do you see how I want to live

Do you know who I want to be

A Hokkien, 我真好

A Hokkien, I like the sound of you

我老爸，过生了

My father, he has gone away

He's Hokkien everywhere he's been

He's Hokkien and I think of him
