

Title : Tuesday's Child

Composer : Christopher Toh

Lyricist : Christopher Toh

Jump in the water
Under the full moon
Never any other
Except you
Watching the moment
Always inviting
No hesitation, not one

Come in so slowly
Heal me tonight
Reality strikes me
In silence
Still building moments
Transparent ceilings
Offerings chosen
Helpless

Your eyes so brightly
Envelope mine
No time to darkly delight
Look for your morrow
Escape your lies
No pain no sorrow
Gone
