

**Title : Tuesday's Child**

**Composer : Christopher Toh**

**Lyricist : Christopher Toh**

Jump in the water  
Under the full moon  
Never any other  
Except you  
Watching the moment  
Always inviting  
No hesitation, not one

Come in so slowly  
Heal me tonight  
Reality strikes me  
In silence  
Still building moments  
Transparent ceilings  
Offerings chosen  
Helpless

Your eyes so brightly  
Envelope mine  
No time to darkly delight  
Look for your morrow  
Escape your lies  
No pain no sorrow  
Gone
