

Title : Who Says...?

Composer : X' Ho

Lyricist : X' Ho

Who says X' Ho can really play guitar?
Who says press servants are servants?
Who says we're scared of the Internet?
Who says we should get all serious about what you say?
Who says we should not get serious about it at all?
Who says we can't ask 'Who says?'

Who says we ain't First World?

Die now or forever hold your tongue
Die now or check your tongue
Best you die, we'll hold your tongue
Why don't you die? You got no tongue
Just go and die (Just go to hell), you got no tongue

Who says we ain't First World? **(2X)**
Of cos, we are First World
We're more than just First World
Who says we ain't First World?
