

Title : That Booty Song (Feat. Too Phat)

Composer : Terry Lee

Lyricist : Terry Lee

Joe Filzzow rap

Verse

Its that same old feelin again, perved off that juice and gin
Thugged out but lookin sweet
Two steppin to the beat your body is intoxicating high off everything you do
Pants hangin off your hips and I don't see no pantyline
Don't lie about the way I feel
Exactly why I keep it real
Tell you what I wanna do, the rest I'll leave it up to you

Chorus

get up on my lap, pop a bottle off
All I'm thinkin bout is that booty booty
Pretty face with a ghetto butt, I don't see no pantyline
Baby break me off o' that booty booty

(T. Lee rap)

Don't act like you don't know cos every pair of eyes is glued your body's bangin away
makes me wanna say your body is intoxicating high off everything you do
Pants hangin off your hips and I don't see no pantyline
don't lie about the way I feel
Exactly why I keep it real
Tell you what I wanna do, the rest I'll leave it up to you

Chorus

(Malique rap)
