

Title : From Now On

Composer : Dick Lee

Lyricist : Dick Lee

Leslie You've given me a way to see how perfect life can be

Sandy You've given me the master key that really sets me free

Leslie And if it's taken me some time to realise that you are mine

Sandy At last I'm yours and life's so fine

Both So finally

Sandy I can't believe you've given me a love so warm and true

Leslie And I can't remember wanting more now I have you

Sandy Now I know for sure it's time to leave the darkest days behind

Leslie 'Cos you're mine and life's so fine

Both So finally

CHORUS

Leslie From now on you will stay forever in my heart

Sandy From now on you'll be with me though we are apart

Both From now on I somehow just know

I'll never let you go away from me, From Now On

Sandy You've shown the way for me to stay I'll love till the end

Leslie Into beyond when life has gone I'll still love if I can

Sandy I know it's taking me some time to find the one I've had to find

Leslie At least this time the life's so fine

Both So Finally
