

**Title : Sesuatu Janji**

**Composer : Taufik Batisah**

**Lyricist : Taufik Batisah / Imran Ajmain**

tidak ku sedar setahun sudah berlalu  
Rasanya bagai hanya hari itu  
Terakhir kali bertemu

Takkan ku lupa semua segar dalam ingatan  
Sayangnya kita tidak pernah berikatan  
Semuanya tinggal kenangan

**Pre-chorus**

Tapi janganlah engkau salah sangka  
Aku kembali tanpa sebarang agenda

**Chorus**

Bagaimana, seharusnya ku mengutuskan  
Satu sikap yang bijaksana  
Seandainya, kau tak mengaku  
Hati mu teruntuk ku  
Dan bila, sampai waktunya ku pergi lagi  
Ku perlu engkau memahami  
Aku hanya ingin melunaskan sesuatu janji

Tidak ku sangka cinta kita jadi begini  
Dunia dewasa tidak sebebaskan dulu lagi  
Terpaksa mendiamkan diri  
Apa di hati

**Bridge**

Bukan maksudku membuat kau terkeliru  
Harap kau mengerti hati ku  
Selalu dengan mu

**(Translation)**

**A Certain Promise**

I didn't realize a year has passed  
Felt like yesterday  
Was the last time we met

I'll never forget the moments we shared  
Too bad, we were never meant to be  
They are simply memories

**Pre-Chorus**

But please don't make any assumptions  
I have returned without any kind of agenda

**Chorus**

How am I supposed to establish  
A smart decision  
if you'd never admit  
Your heart was specially meant for me?  
And when the time comes for me to go again  
I need you to understand  
My only wish is to fulfill a certain promise

I didn't expect love to turn out this way  
We have left our youths behind  
Let us just keep to ourselves  
What's in our hearts

**Bridge**

It's not my intention to confuse you  
I hope you believe that my heart  
Has always been for you
