

**Title : The Rainbow Family**

**Composer : Emily Ferdinands**

**Lyricist : Emily Ferdinands**

Let's do more demos  
And sell more Rainbows  
Show all the people  
That cleaning is no sweat  
Fresh as the raindrops  
Their homes will always be  
Kill all the dust mites  
And show them that you care

**Chorus:**

The Rainbow family  
Will save them money  
Protect their investments too  
Everyone's happy  
So do not worry  
Trap the dust right from the air

No dirty dustbags  
Just swirling water  
Cleaning's so easy  
They'll love the Rainbow  
It's really awesome  
What the rainbow can do  
Turn on the rainbow  
And watch their faces glow

**(Chorus)**

No dirty dustbags  
Just swirling water  
Cleaning's so easy  
They'll love the Rainbow  
It's really awesome  
What the rainbow can do  
Turn on the rainbow  
And watch their faces glow

**(Chorus)**

No dirty dustbags  
Just swirling water  
Cleaning's so easy  
They'll love the Rainbow  
It's really awesome  
What the rainbow can do  
Turn on the rainbow  
And watch their faces glow  
Turn on the Rainbow  
The best in all the world

**(Chorus)**
