

Title : I'll Move On

Composer : SiSK / VIVI

Lyricist : Olivia Ong

This road that/ I'm taking/ Twists
and Turns.

My Life/ My Chance/ turning
dreams into reality.

Down this path/ Faced with so
many things.
Sometimes I feel like giving up and
turn away

Can't seem to go on. And I've been
that' this before.
Now where am I? Where do I
stand? A Little Lost here.
But I'll remember. All those times
you've brought me thru.'
I'd be a fool to give up cos' the goal
is near.

I'll move on, I'll go on, Lord I will
take your hand. And you will guide
me along.
Survive thru' this storm. So I say,
come what may. I'll hold on to my
hope.
Yes, I will walk down this road. And
my passion drive will lead me on.

Here I am/ Once again/ Caught in
the rain. Looking back/ I've come
so far/ And
I want to cany on.
Take a step/ A Little Time/ It's
alright. Even thru' this rain, I want
to smile again.

Don't hold back now. And I've
been thru' this before.
Now where am I? Where do I

stand? A Little lost here.
But I'll remember. All those times
you've bought me thru'.
I can find feel the sun shining
down on me.

Here I am, Here I am. Lord I will
take your hand.
And you will guide me along.
Surviving thru' this storm.
So I say, come what may. I'll hold
on to my hope.
Yes, I will walk down this road. And
my passion drive will lead me on.
