A long time ago in Bethlehem , The Holy Bible says  
Mary's boy child Jesus Christ  
Was born on Christmas Day (check it out)

Now this Jesus Christ He was a King you know  
And the God who created this world  
But He up left His throne for you and me  
So you listen as the story is told

**CHORUS**

Joy to the world  
Singing joy to the world  
Singing joy to the world

There was a star up high, It was a shining blight  
Three kings coming down the road  
And they were travelling fast and  
they were travelling light  
With myrrh, frankincense and gold  
Well up on the hills were the sheep  
and the shepherds  
They were snuggled up as warm as toast  
And then the angels cried "Well, don't be uptight"  
"We're bringing news from coast to coast"  
(Hallelujah)  
"There's a baby down there He's a special kid"  
"You'll find Him in a manger below"  
"He was born to save all the people, you and me"  
"Boy! It was a sight to behold"

Now this story doesnt end,  
because this Jesus grew up  
And they nailed Him upon a tree  
There's a reason for this which you dont wanna  
miss  
Cause' He did it to set us free  
Now my brother and my sister  
You hold the key to your future and your  
destiny (right now)

You've gotta open up your heart and let my  
Jesus in  
Then you can rap along with me...
