## CHILDHOOD MEMORIES

BY RADIN MAS  
PRIMARY SCHOOL

*We see it through our eyes,  
It's shining like a star,  
They're floating everywhere  
Childhood memories*

*We see it through our eyes,  
It feels so warm and nice,  
Childhood memories  
Childhood memories  
Childhood memories*

*When we were young,  
we used to play  
things we don't have today.*

*We played with friends,  
enjoyed the days,  
shared our dreams that light our way*

*Every song that we've sung,  
every dream we've thought,  
We've given it our best shot.*

*As we recall,  
it leads us on.  
And through it all,  
it keeps us strong.  
I do believe,  
Oh can't you see,  
life is full of childhood memories  
childhood memories*

*When we were young,  
we used to play  
things we don't have today.*

*We played with friends,  
enjoyed the days,  
shared our dreams that light our way*

*Every song that we've sung,

We've given it our best shot.*

And through it all,  
it keeps us strong.

*Life is full of childhood memories
