**Nature Scenes Everywhere  
(Iyarkaiyin Kaatchi)**

Attractive scenes of nature everywhere  
Here too are colourful serene spots  
The seven colours of the rainbow  
See them in unity

Scenes that capture the eye  
Are like dreams  
The brightly lit roads  
That glow forever

With actions carefully planned  
Singapore progresses with success  
People of four races live together  
Leading a happy and prosperous life in Singapore
