

Title : Thank You (Feat Selvaraj & The FAS Soccer Team)

Composer : Raymond Kelly & Martin Tang

Lyricist : Raymond Kelly

It's a lonely road we travel,
True friends are hard to find,
Everybody wants to share the laughter,
So long as things are fine,

Well, are you there when I need you,
Will you catch me if I fall,
Together we can have the glory,
Right thru' it all, we say,

Thank you,
We Say Thank you,
For all that you have done,
Thank you,
We want to thank you,
To the Die Hard Fans,
You're number one,

Careless words, they can hurt you,
It will take time to mend,
Forget the past cos' we are brothers,
Right to the end, we say.
