

**Title : I Can't Let You Go**

**Composer : Dick Lee**

**Lyricist : Dick Lee**

Once upon a time  
The hardest thing was making up my mind  
I woke up every single day to find  
That I was neither here nor there  
Then you came my way  
We fell in love and you were here to Stay  
Or so I thought until that fateful day  
I said you were not being fair

You had a history of lovers  
But for me you were the first  
And then instead of getting better  
Things got worse

\* But no I can't let you go  
You're not walking out , oh no!  
Now for once I 'm gonna take a chance  
And say I love you so  
Oh no I can't let you go  
You're not leaving me , oh no!  
For the first time in my life I have decided  
That I can't let you go  
Oh no, oh I  
I can't let you go

You refused to see  
You simply wouldn't talk it through with me  
I realized how stubborn you could be  
And things were neither here nor there  
No, it's not too late,  
I told myself, we must communicate  
But then again, I just was so afraid  
That you would say you didn't care

\*\* I found myself stuck in a corner  
'Cos I knew that I was wrong  
And then instead of growing weaker  
I grew strong

Repeat \*  
Repeat \*\*
