

Title : Our Beloved Teacher (Teacher's Day)

Composer : Abdolah Lamat

Lyricist : S. B. Sebastian

The time has come for us to pledge
To show our love and how much we care
Let us be happy, let us be merry
And wish our teachers
A Happy Teachers' Day

We're grateful for what you have done
To our teacher, the beloved ones
You always lead us on, guiding us along
We'd like to dedicate this song

Chorus:

We want to thank you from our hearts
We hope that we would never part
You're always there, when we need you
Helping us excel and see us through

We need you , to make our future bright
You help give us, the will the might
You help to shape, our destiny
And make us useful to society

Now let us say it together
And think of our teachers forever
Let us be happy, let us be merry
And wish our teachers
A Happy Teachers' Day
