

**Title : Love Song For # 1**

**Composer : Corrinne May**

**Lyricist : Corrinne May**

In the twinkling stars that dance like fireflies  
In the blushing fruit that hangs upon the vine  
In the face of a baby as he forms his first smile  
I see you

In the whisper of the wind's soft lullaby  
In the laughter and the roar of the rushing tide  
In the song of the sparrow as he takes his first flight  
I hear you

Why do you hide among the nameless and forgotten  
Why do you walk along these long forsaken roads  
Calling to me in the hungry and the homeless  
Calling me to water your thirst

So I'll give you my heart and my song  
in a world where so much is right  
but so much is wrong  
Your love is my beginning and I know it won't be too long  
Till I see you

Why do you hide among the nameless and forgotten  
Why do you walk along these long forsaken roads  
Calling to me in the hungry and the homeless  
Calling me to water your thirst

So I'll give you my heart and my song  
in a world where so much is right  
but so much is wrong  
Your love is my beginning and I know it won't be too long  
Till I see you  
I hear you  
I love you
