

Title : One Day

Composer : Case Woo

Lyricist : 陈洁仪

One day some day
I will finally
Know who I am
What I want
And why I live

One day some day
I will surpass
All these trappings
All these schedules
All my drive and motivation

* I will walk without my shoes on
I will rise with the sun
And wane with the moon
I will owe no one an explanation
I'll be traceless
Leaving them
Without a clue

One day I will no longer
Be a stranger to myself
I will swim with the swans
Tease the dragonflies
That land on my head **(Repeat *)**
