

Title : Sin of the Skin

Composer : Art Fazil / Blues Rakyat

Lyricist : Art Fazil / Blues Rakyat

He is brown she is yellow
He is brown she is yellow
This special love must it bring sorrow

By the colour of my skin
Loving you would be a sin
Regardless of how we feel within
A sin to the kin is still a sin

By the colour of your skin
To hold your hand and slip the ring
Would only remain my schoolboy dream
Why must the heart be the victims of our skin

He is brown she is yellow
He is brown she is yellow
This special love must it bring sorrow
We don't read the same book
We don't even like the same food
They say we are fool to break the rules
But love is such a funny thing
It's blind to the colour of a man's skin

By the colour of our skin because of our pigmentation scheme
Defined by our inherited genes
To love each other is to sin
He is brown she is yellow
He is brown she is yellow...
