

Title : 窗外玫瑰 花儿怒放

Composer : 周炯训

Lyricist : 李煜传

窗外玫瑰 花儿怒放，鲜艳的花儿迎着朝阳，
我倚着窗前痴望，微风飘来淡淡花香。
窗外玫瑰 花儿怒放，对她的恋情不断滋长，
我陶醉于她的花香，我想把她摘下放在身旁，
刺儿会不会把我刺伤。
窗外玫瑰 花儿怒放，引来蝶儿蜂群游荡，
我不愿他们分享爱情，嫉妒的望着他们同嬉
玫瑰！玫瑰！玫瑰我问你：你可愿意？

Title : Roses Blossoming At The Window

Roses are blossoming at the window, welcoming the sun;
I gaze out of the window as the breeze brings the fragrance of
the flowers.

Roses are blossoming at the window, as my love for them
grows;
I am mesmerised by the fragrance, I wish to pluck one and
place it beside me,
As the thorns will not hurt me

Roses are blossoming at the window, attracting butterflies to
dance with them;
I do not wish that they share their love, and I watch them
jealousy.

Rose! Rose! Let me ask you, "Will you?"
