

Title : **Holiday**
Composer : **Don Ferdinands**
Lyricist : **Don Ferdinands, Karen Ferdinands**

Verse 1

I went away on a holiday. To a little island faraway.
The people are nice, cold drinks with ice. It's as good as Paradise.

Chorus

I wanna stay don't wanna go away. I am having, so much fun.
Time on my hands, lots of new friends. I've finally found my place in the sun.

Verse 2

The time has come, for me to go but I really must say no.
Drinks by the pool, it feels so cool and if I go, I'd be a fool.

Chorus

I wanna stay, don't wanna go away. Please don't try to make me leave.
You know I'm right, just take the first flight. Don't stay at home and make believe.

Chorus

I'm gonna to stay, ain't going away. My new life, has begun
Please tell my boss, he can get lost. It's happy hour and I've gotta run.
