

Title : Full Moon Over Marina Bay

Composer : Art Fazil / Blues Rakyat

Lyricist : Art Fazil / Blues Rakyat

The seaside park turns into a gangland
When the kids fought over a potential girlfriend
Somebody complained that the toilet was choked
When they checked they found a baby in the toilet bowl

Just because she didn't pass her exams
A student hung herself right on after school
And then the late Johnny he got so high on glue
He jumped down thinking the carpark was a swimming pool

It's full moon, over Marina Bay
It's full moon, everything here seem so pretty
It's full moon, are we going crazy?

Little Suzy she is very pretty
She spends her weekends at parties
And then one night she just got herself too drunk
And the guys gangbanged her till the morning comes
Bored with skateboards and classroom romance
The kids now dabble in skulls and pentagrams
The morning paper quoted what the expert said
He said, " ...these kids are playing on a dangerous edge. "
It's full moon, over Marina Bay
It's full moon, everything here seem so pretty
It's full moon, are we going crazy?
