Verse 1

You know that I am feeling so fine  
'Cos it's the day I plan to be kind  
Let's come together, let's all sing out this line  
Kindness - It starts with you and me

Verse 2

When there's an elderly inching up the train  
Do we step aside and make him some way  
If there's somebody kind enough to notice  
He would have made that elderly's day

Chorus

Start off your day with a smile on your face  
And go about the day with grace  
Spread the kindness and the love  
Let it shine, let it show

Bridge

When all we do is plug into our cellphones  
You know that's kinda drawing up our zones  
We fail to see what someone else needs  
And give up the chance to do a good deed

Chorus

Verse 3

Sometimes it feels like everyone's so cold  
But take a look inside there's a heart of gold  
Shoulder to shoulder let's sing out this line  
Kindness - It starts with you and me

You and me (x2)  
Kindness!
