

Title : HOLD ON

Composer : Dixie L.R.Ferdinands

Lyricist : Dixie L.R.Ferdinands

Hold on, baby baby baby can't hold on, girl your mama said you gotta slow down,
Listen to me babe t can't hold on, girl you're leavin' one more time,

Gonna lay it on the line, I wanna know if you're still mine, oh mine,
Don't wanna waste no time. yeah!
Don't give a damn just what you say, ain't gonna work out anyway, no no,
I can't take anymore,

Really don't matter just what they say, you can't see it my way.
Just gotta do what I feel is right.
Don't wanna light you baby, don't wanna fight no more.
Hold on, baby baby baby can't hold on, girl your mama said you gotta slow down.
Listen to me babe I can't hold on, girl you're leavin' one more time,

Really don't matter just what they say, you can't see it my way.
Just gotta do what I feel is right,
Don't wanna fight you baby, don't wanna fight no more,

Hold on baby baby baby can't hold on, you're slippin' thru my fingers won't you
slow down,
Listen to me babe I cant hold on, just listen to me one more time,

Hold on, baby baby baby can't hold on, you're runnin' like the wind why don't
you slow down,
Listen to me babe I can't hold on, don't do it to me one more time,

Hold on, baby baby baby can't hold on, girl your mama said you gotta slow
Down,
Listen to me babe I can't hold on, don't walk out on me one more time,
