

**Title : We Will Get There**

**Composer : Dick Lee**

**Lyricist : Dick Lee**

Remember the days. we set out together with faith?  
Remember the times, so fine,  
when we thought that Nothing could stand in our way?  
Then things weren't the same, the life that we knew had to change  
We've struggled through, the darkest storms  
We thought we couldn't tame  
Together we've tried, as we stood side by side  
I knew we'd build a new world  
A world of hope for ever after

Deep in my heart I just know,  
Right from the start, we will grow  
Look where we are, we've come so far  
And there's still a long, long way to go.  
With all of my head, I will care  
I'll play my part, I will share  
With family and friends, together we'll stand  
And in the end, hand in hand  
We will get there

So now we begin, working together to win  
Believe in trust, it must Be possible to overcome anything  
There's so much to do, there's so much we can contribute  
By sharing just a little love  
We will start again anew So why don't we try?  
If we stand side by side  
I know we'll build a new world  
A world of hope for ever after
