

Title : Maybe I'm Naive

Composer :

Lyricist :

Maybe I'm naive, maybe I don't know much
Maybe you think I'm a fool just to trust
I may look foolish thinking that God can do
Everything great men on earth dare not to

Chorus:

My Lord, my Saviour
My Life, my Redeemer
My Lord, my Master, I just pray
Pray to simply trust and obey

Maybe I'm simple, maybe I don't think much
But you know somehow my trust is enough
To bring me through rough times, bring me through all my strife.
Trusting Him, soothing my hurt when I cry

(Repeat Chorus twice)

Maybe I'm naive, maybe I trust too much
Maybe that's what life is just all about
Well, perhaps someday when you know Jesus Christ
He will make trusting the difference in life

(Repeat Chorus)

Maybe I'm naive, maybe I'm naive
Frankly, I'd rather be naive
