

Title : II-I

Composer : Adrian Loo

Lyricist : Leon Lim / Adrian Loo

Like the trees, I was stronger then
Like the breeze, I was faster than
So please don't leave me behind
So please don't take my time

Sometimes I wander, what am I doing here?
At times I wonder, why I've so much to fear?
So please don't leave me behind
So please don't take my time

One day I'll go crazy
One day there'll be a great alarm
But it wouldn't matter to me
'cause I'd be in the funny farm

But I believe in the might of trees
And I believe in the gentle breeze
So please don't leave me behind
So please don't take my time
