

**Title : On The Side Of Me**

**Composer : Corrinne May**

**Lyricist : Corrinne May**

I'm not the easiest person to love  
I'm often the one who lets things go unresolved

Yet you choose to be  
on the side of me  
on the side of me  
Yeah you choose to be on the side of me  
on the side of me

I'm not too proud of some things .  
I've done in my life  
The skeletons in my closet  
Are too big for me to hide

Yet you choose to be  
on the side of me  
on the side of me  
Blessed Charity,  
you're on the side of me  
on the side of me

Everyone needs a friend to hold  
when it's cold outside  
and there's no place to go  
Everyone needs a friend to hold  
all alone I cried  
there was no place to go  
I remember when nobody cared  
but you

I'm not the easiest person to love  
But you, you've opened your heart to show me what I'm worth

'Cause you choose to be  
on the side of me  
on the side of me  
What a mystery  
You're on the side of me  
on the side of me

Everyone needs a friend to hold when  
it's cold outside  
and there's no place to go  
Everyone needs a friend to hold  
all alone I cried  
there was no place to go

I remember when nobody cared  
I remember when nobody cared  
Nobody cared  
But you

Yeah you choose to be  
on the side of me  
on the side of me
