

**Title : To Mum, With Love**

**Composer : Abdolah Lamat**

**Lyricist : Changkat Primary School**

I can hear your gentle voice  
I can see into your loving eyes  
Your smile ever so tenderly  
Your love bring life to me

When I can't sleep at night  
You help me overcome my fright  
You will not leave me alone  
'till I can sleep on my own

**Chorus**

Now, I'm sending a message to you  
To say, that I will always love you  
My words are sincere, oh my dear mother  
I will keep and remember  
Forever

I know, you will always be with me  
Loved, wherever I may be  
You're my shining star, you look so bright  
Your love is deep in my heart
