

**Title : Anak Ku**

**Composer : Eddie Marzuki**

**Lyricist : Latz and Martin**

1) Thinking of the past  
and all the things you said,  
Anak Ku you're the only one.  
My life was just for you

2) Faded photographs of all  
The times we shared  
Keep warm from these  
eastern winds.  
Until the end of time

XX Now you've gone away.  
You said you needed time  
To find yourself  
Even though it's hurting me  
I know its time for me to set you free

3) Anak Ku. My child.  
We braved the monsoon rains.  
On this land, we soiled our hands  
All is empty inside now  
You're gone

**CHORUS**

Oh .... Anak Ku, all the joy & pain we've been through  
Oh .... Anak Ku, maybe soon one day,  
You'll be home to stay.

**(Solo) - Repeat XX - CHORUS**

**- (Solo) Fade out**
