

Title : Anak Ku

Composer : Eddie Marzuki

Lyricist : Latz and Martin

1) Thinking of the past
and all the things you said,
Anak Ku you're the only one.
My life was just for you

2) Faded photographs of all
The times we shared
Keep warm from these
eastern winds.
Until the end of time

XX Now you've gone away.
You said you needed time
To find yourself
Even though it's hurting me
I know its time for me to set you free

3) Anak Ku. My child.
We braved the monsoon rains.
On this land, we soiled our hands
All is empty inside now
You're gone

CHORUS

Oh Anak Ku, all the joy & pain we've been through
Oh Anak Ku, maybe soon one day,
You'll be home to stay.

(Solo) - Repeat XX - CHORUS

- (Solo) Fade out
