

Title : SINGAPURA

Composer : Van Moring

Lyricist : Singapore Broadcasting Corporation, Dick Lee

* Singapura, Oh Singapura
Saya harap datang lagi
Singapura, Oh Singapura
Kapan saya mahu kembali

* * Singapura, Oh, Singapura
Sunny Island set in the sea
Singapura, Oh, Singapura
Pretty flowers bloom for you and me

Come along, join the song in merry singing
Blend our voices, join in the chorus
Singapura, Oh, Singapura
Pretty flowers bloom for you and me

Singapura, Oh, Singapura
Sunny Island set in the sea
Singapura, Oh, Singapura
Tiny island, home to you and me
And together, our joys and our sorrows
Make us stronger for tomorrow
Singapura, Oh, Singapura
Sunny island, home to you and me

Selalu dengar lagu-lagu
La la la la la la
Selalu ingat kepada mu
La la la la la la

Rap:

I look around me and I see a very new city
Modern towers, old houses which are so pretty
And the place is safe and then the place is clean
And what I want to say is Singapore's the place for me

Repeat *

Repeat * *

Sunny island home to you and me
