If there was another way
I would not be here today
I'd be back where I belong
Somewhere in my past
I should be the first to know
Where the road I'm taking goes
If I fail then I suppose
Every road must be wrong

Now I'm here
Now that I've made it this far
I must try to find out
What I'm all about
Cos I lost the answers long ago
Felt I didn't need to know
I didn't care
Now I do

I should be the first to know
Where the road I'm taking goes
If I fail then I suppose
Every road must be wrong
Now it's time to be strong
It's what I wanted for so long
No matter how it turns out
I must stay to face the consequence
Once it made no difference
I didn't care
Now I do...
