XO

When your work is getting stress,
You give your work the sack

BEE

Call your three kakis
To come and help you to relax

TENG

It's a form of exercise
It's almost like a swim

RICKSON

It's a competition I must
Win, win, win!
Eh faster lah, so slow!

TENG

Can we just play friendly for a little while?

RICKSON

Sure...

BEE

Take it easy
Let's all do this with a smile

ALL

Life is always full of problems
Always something wrong
So then when we want to get out of it
What do we do?
We play mahjong!
Mahjong - those three little words:

TENG

Chi!

XO

Pong!

RICKSON

Kong!

ALL

Best words that I've heard all week long
What a wonderful game to play
We could just go on
Forgetting our worries
Mahjong's not played in a hurry
What's wrong with running away for a day?
We just want to play
Mahjong

XO

All the cards you're giving me
Are very, very nice

BEE

Oh my goodness, now I really
Must consider twice

TENG

Strategy and cunning are the
Skills I really lack

RICKSON

How to concentrate when you all
Yak, yak, yak?

This whole street soon will be my own
Sold to me by this big sucker
Soon he must find another home
'Cause I must sell my hamburger

XO

When your work is getting stress,
Give your work the sack
Call your three kakis
To come and help you to relax
It's a form of exercise
It's almost like a swim
It's a competition I must
Win, win, win!

TENG & BEE

I must
Say I
Love to play this
Lovely Game
'Cause we
Gather
Round this way to
Win, win, win!

RICKSON

This whole street soon
will be my own
Sold to me
by this big sucker
Soon he must
'Cause I must buy
find another home
and win, win, win!

ALL

Life is always full of problems
Always something wrong
So then when we want to get out of it
What do we do?
We play mahjong!

Mahjong - those three little words:
