

Title : Heart Of Stone

Composer : Mark Chan

Lyricist : Mark Chan (Spanish Lyrics : Jairo Sanchez-Arenas)

You need a heart of stone
to play the game
You need a heart of stone
to take the pain

You need to build your wall
so it will never fall
You take the chances all alone
You need a heart of stone
You need a heart of stone

You need a skin of steel to take the talk
Jealous tongues conceal
Empty hearts

"See how he runs"
"See how he falls"
You take the chances all alone
You need a heart of stone

De piedra y de sal
Un corazon
Blanco al mirar
Duro al sentir

Asi se ve
Asi se da
Un corazon se ve
Una piedra se da
