

**Title : Heart Of Stone**

**Composer : Mark Chan**

**Lyricist : Mark Chan (Spanish Lyrics : Jairo Sanchez-Arenas)**

You need a heart of stone  
to play the game  
You need a heart of stone  
to take the pain

You need to build your wall  
so it will never fall  
You take the chances all alone  
You need a heart of stone  
You need a heart of stone

You need a skin of steel to take the talk  
Jealous tongues conceal  
Empty hearts

"See how he runs"  
"See how he falls"  
You take the chances all alone  
You need a heart of stone

De piedra y de sal  
Un corazon  
Blanco al mirar  
Duro al sentir

Asi se ve  
Asi se da  
Un corazon se ve  
Una piedra se da
