

Title : Lonely Angel

Composer : Richard Ferdinands

Lyricist : Richard Ferdinands

Standing all evening with you back to the wall,
and you seem out of place,
I've watch you all evening and I haven't
seen a smile,
Light up your face
You look so pretty,
so self assured,
But I know you're just
another lonely angel

Weekends at the park,
sitting on a bench,
You've given up
your trying,
Mastered Italian and
taken up French,
Just to keep from crying
Cause he's gone away, and
he won't be back again,
So you'll be just another
lonely angel

Lonely angel, you're crying again
Cause he's broken your heart
Lonely angel, just pick up the pieces
And try to make a start

I can't make it right, but I'll try to play a part,
If you'll be my friend
And I don't want to hurt you
and I won't break your heart
So come and take my hand

Well it seems a shame
When you call his name
Cause you don't have to
be a lonely angel

Standing all evening,

With your head to
the wall,
Cause you gave up
trying,
I've watched you all
evening, and you think
it doesn't show,
But I've seen you
crying
And its still the same
Cause you've lost
the game
And you'll always be a lonely angel
And you'll always be a lonely angel
Lonely Angel
Lonely Angel
