It's time to Live it Up  
Embrace your Dreams  
Escape to a place that brings fond Memories  
Enjoy yourself  
Celebrating Life  
There's so much fun that you will find  
Discover the Place  
Where Dreams are made  
The best time of your Life is coming your way  
Live it Up  
Night & Day  
Exciting surprises in every way  
Live it Up in Singapore  
Where moments are treasured  
Where you'll have it all  
It's time to Live it Up  
Taste the spice of Life  
Imagination comes alive  
View the sea & land or make a date with history  
There's so much to do, it's all up to you  
Live it Up Night & Day  
Exciting surprises in every way  
Live it Up in Singapore  
The fun never stops  
You'll be wanting more (and more)  
Live it Up Night & Day  
Have a feast  
Dance the night away  
Live it Up in Singapore  
Where moments are treasured  
Where you'll have it all
