

Title : Bring On A Smile

Composer : Dick Lee

Lyricist : Dick Lee

Once every now and then you pause
Look at the state of things because
Life isn't bright as it could be
Let's see
What can be done to make things right?
How can we make the future bright?
Consideration's all we need
To be free

CHORUS

Bring on a smile and touch a heart
One little smile sets you apart
Bring on a smile and then
You can let kindness start

Bring on a smile and nothing less
A little smile brings out your best
Bring on a smile and find
That kindness does the rest.

It's really easy to be kind
Goodness is not that hard to find
All that it take's a little care
You share.
Thinking of others now and then
Makes people happy, makes you friends
Love is a message to declare
Everywhere

CHORUS

Bring on a smile and touch a heart
One little smile sets you apart
Bring on a smile and then
You can let kindness start

Bring on a smile and nothing less
A little smile brings out your best
Bring on a smile and find
That kindness does the rest.
