

Title : **Never Said Goodbye**
Composer : **Don Ferdinands**
Lyricist : **Don Ferdinands, Karen Ferdinands**

Verse

He called to say that he'd be late. He was held up by the snow.
She said OK and hung up the phone.
But when the doorbell rang that night and she saw the flashing lights.
Somehow she knew that he had died.

Chorus

She said that she'd never cry but the tears fell from her eyes.
It broke her heart cos they never said goodbye.
