

**Title : This Is the Time**

**Composer : Art Fazil / Blues Rakyat**

**Lyricist : Art Fazil / Blues Rakyat**

Too many cars too much smoke  
Too much smoke is choking up my throat  
So many forests losing trees  
They'll be golf courses by the end of the century  
So much warning on global warming  
There's a hole in the sky that we are ignoring  
This is the time to talk about the earth  
Talk about the sky  
Talk about the birds  
The trees and the little child  
So many hungry so many starved  
There's so much food why don't we ever have enough  
Too much rhetoric nothing is done  
They keep on bickering  
as war and famine rages on  
So many mothers so many babies  
They are the victims of this Third World disease  
This is the time to talk about the earth  
Talk about the sky  
Talk about the birds  
The trees and the little child  
Why?  
Too much sex too much violence  
It's a dangerous time for the young and the innocent  
So many children being abused  
All for money to keep the perverted amused  
So many dead many infected  
Is this Sodom Gomorrah revisited?  
This is the time to talk about the earth  
Talk about the sky  
Talk about the birds  
The trees and the little child  
Why?  
This is the time to talk about the earth  
Talk about the sky  
Talk about the birds  
The trees and the little child
