

Title : Thank You

Composer : Eugene Lee

Lyricist : Eugene Lee

We were looked upon as people without hope.
No one had thought that we could cope.
Society would look at us and then they'd say.
They asked for it, it's come their way.

(C/o)

If not for you, I'd still be left this way,
Change isn't easy but I'll strive,
And then one day, I'll look you up and say,
Thank you for the hope, put in my life.
The support you've shown t us, we never will forget.
We'll learn to change not just regret.
We have received enough, it's time to now repay,
The others so that they would say
