

Title : Till

Composer : Taufik Batisah

Lyricist : Taufik Batisah / Imran Ajmain

Yang terindah
Terlukis di bibir mu
Tak pernah ku lihat senyum mu.
Sebegitu
Pudar kah sudah cinta yang ku beri
Berwarna warni segala
Yang dijanjikan ia

Chorus

Usah biarku bersendirian
Usah biar hati mu di tawan
Usah biar diri ku disini
Seorang menunggu tanpa teman

Usah lepas genggaman tangan mu
Usah biar semua berlalu
Usah terlupa perasaan hati
Pertama kali kita bertemu

Usah lepaskan

Bridge

Tak mudah ku melupa segala yang berlalu
Ku ingin selalu bersama mu

Ku tak peduli apa sebabnya
Engkau dan dia harus bersama
Mendungnya langit bila berkata
Kita patutnya masih bercinta
Usah lepaskan

Usah lepaskan
Usah lepaskan

(Translation)
Don't Let it Go

The most beautiful thing
Is there on your lips
I've never seen you smile that way for me
Has my love gone dry, you had to run to him
It sounds wonderful and nice
The future he's promising you

Chorus

Don't leave me here all alone
Don't give you heart away to him.
Don't leave me standing here
Alone waiting with nothing

Don't let go of my hand
Don't throw everything away
Don't forget the way we felt
The first time we met

Don't let it go

Bridge

It's hard for me to just forget about us
I only wish to always be with you

I don't care what the reason is
You should be together with him
And I don't even care if the heavens don't agree
You and me should still be in love

Don't let it go
Don't let it go
