**English translation**

**We Are The Best Of Friends**

(我们是最好的朋友)

We are the best of friends  
We still have a long way to go  
Let's, with a sincere heart  
Dance to the same rhythm

We are taking the same road now  
But the future remains unknown  
Let's, with full confidence  
Face up to the future

As we share the burden of hardships  
Let's also share the joys  
And grow up together  
And march boldly into the future
