Yuppie Odoh, goes to those who make the most of.  
Yuppie Odoh, Odoh. Seek and you'll know.

1) In the land of the far away and lovely.  
Bonnie Chang was a rich little lady,  
Wealth bequeath to her by her old man when she was three

2) Ill at ease with her wealth, Bonnie's restless,  
left her home and embarked on a big quest  
Life never showed her the beauty of true harmony

X) Oh baby Bonnie Chang  
Why did you leave your home.  
Oh baby Bonnie Chang  
How could you roam,  
You never really know what you've got  
Till you feel desire (Feel it in you)

**CHORUS**

3) So Bonnie searched high and low for the wisdom,  
Till she found Bali High  
The old kingdom in a pond  
A Flamingo standing easy.  
Spoke of grace and goodwill and humanity  
Look for a place where the needy needs your charity.

**Repeat XXX - CHORUS**

Yuppie Odoh  
(Seek and you'll know)

(Yuppie Odoh Oh Oh Oh)
