

**Title : Bunga Sayang**

**Composer : Dick Lee**

**Lyricist : Dick Lee**

In every village by the sea  
There stands a tall and ancient tree  
That shelters from the sky above  
A tree of hope, a tree of love

It shares with us our joy and feels our pain  
It grows with us through sun and rain  
It stays so green the whole year through  
And flowers when a dream comes true

Bunga Sayang  
Bunga Sayang  
You are heaven's own work of art  
Bunga Sayang  
Bunga Sayang  
Gentle flower of the heart
