

**TITLE : Truth Of Blue**

**COMPOSER : Ian Low**

**LYRICIST : Ian Low**

In my home  
I want to bring you the truth  
Show you things you know they are wrong  
And I need you to take a stand

In our car  
You need someone who can find his way  
Someone who can read a map  
Someone who understands

I'm feeling blue  
I'm feeling good  
And it's a comfort to know you're behind me all of the way

I'm feeling blue  
I'm feeling good  
And it's a comfort to know  
you believe me, everything I say
