

**Title : A Better Me**

**Composer : Yang**

**Lyricist : Olinda / Jillian-Marie Thomas**

Got out of bed and I just made up my mind  
That I am doing something about my life  
Can't sit here dreaming of what it would be like  
I'm just really going out of my mind  
Oh god please help me cos I don't have a clue  
I know that things don't happen out of the blue  
Time for some changes  
No matter what it takes I will do

**Chorus**

For the longest time I've waited to see  
If I could be that better me  
Its time to step up to what I believe  
No more holding back on what I could be  
But if I have to choose at all  
There's one thing I know for sure  
All I know is I like what I see

Oh for the longest time I've waited to see  
If I could be that better me  
It's time to step up to what I believe  
No more holding back on what I could be  
But if I have to choose at all there's  
one thing I know for sure  
I stop dreaming and hoping and  
Wondering and wishing and  
Dreaming and hoping and  
Wondering what I could be
